The Alberni Project Society members, working at and for TAP and HAMM, are a very important part of preserving the proud heritage of Canadian military, its veterans and those that supported their efforts in times of war and peace. Thank you for considering membership in this endeavor.
TAP and HAMM is always looking for volunteers to help with museum staffing, technical and electrical projects, carpentry, data entry, and artefact inventory/collections. to name just a few examples of how you can participate either full or part time. Volunteers must be members of TAPS to participate. To volunteer inquire at our reception desk or check here and tell us what you would be interested in doing.

I would like to volunteer ❏ Full Time ❏ Part Time
I would like to help with_____
